People from trucking industry!!!!!!

The Truck Rodeo will innovate again this year by adding additional segments of antique trucks on the Majestic site of the Truck Rodeo.

This will be simple, a selection of 40 trucks from the registrations forms received will be chosen by judges. By that very fact, we invite the antique truck owners to register by sending all information and pictures of antique vehicle at:  
[rodeo@elrodeo.com](mailto:rodeo@elrodeo.com)

Register quickly because the number will be limited. So, take advantage of the Truck Rodeo to come and expose your awesome antique truck.
